THE DIAMOND CORE

Uncovering Your Inherent Value and Basic Settings

You have completed Module 1: The Diamond Core.

These practice pages support your integration over the next 2-4 weeks.

These are not four consecutive weeks—they are four depths. Start where you are. Stay as long as the pattern requires. Return when it resurfaces—and stay with it until the knowing settles into the body, not just the mind.

Use them daily or weekly — whatever pace serves you.

There is no right way to use these pages. Write as much or as little as serves you.

The goal is integration, not performance.

What happened today that confirms your inherent worth?

When did doubt return today? What triggered it?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

How has your understanding of your value evolved this week?

How often did you engage with your visual anchor? What did you notice?

Integration complete

You have practiced The Diamond Core for 2-4 weeks.

Before continuing to the next module, take a moment:

What shifted?

What do you notice now that you did not before?

What practice will you continue?

Your architecture is building. This is how transformation happens—not through one insight, but through consistent practice over time.

You are ready for the next module.
