THE PATTERN BREAKER

Dismantling the Default Settings of Your Past

You have completed Module 3: The Pattern Breaker.

These practice pages support your integration over the next 2-4 weeks.

Use them daily or weekly—whatever pace serves you.

There is no right way to use these pages. Write as much or as little as serves you.

The goal is integration, not performance.

Did your pattern activate today? Trigger? Intensity (1-10)?

Did you practice giving boring a chance? What happened?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Did you catch pattern at breakpoint? What did you choose differently?

Week 4: Support System Check-In

Did you connect with your support person this week? What was valuable?

Integration complete

You have practiced The Pattern Breaker for 2-4 weeks.

Before continuing to the next module, take a moment:

What shifted?

What do you notice now that you did not before?

What practice will you continue?

Your architecture is building. This is how transformation happens—not through one insight, but through consistent practice over time.

You are ready for the next module.
